SET WITH MANY OPTIONS

The Sleep N Play Center can be used in four ways. Your child can comfortably sleep and play, you can easily change your baby's nappies and transport the folded cot wherever you wish.

COMPLETE SET THANKS TO
INTEGRATED ACCESSORIES

Thanks to the many accessories, you will be prepared for any situation. The cot comes with a practical changing table, utility pocket, elevated level for newborns, side exit for toddlers and wheels.

OPTIONAL MATTRESS
FOR EXTRA COMFORT

SEPARATE MATTRESS & FITTED
SHEET FOR EXTRA COMFORT

The Sleeper foam mattress and the Bed Me fitted sheet are available separately to give your child the best possible sleeping comfort, wherever you will be travelling next.

BACK-FRIENDLY FOR YOU, SNUGGLY FOR YOUR BABY

New-borns and babies can be comfortably laid down and lifted out of the cot thanks to the elevated second level. Later, this can be simply removed.

PRACTICAL CHANGING TABLE

On the changing table, you can comfortably change your baby's nappies and lay your baby back into bed. The safety belt offers protection. When not needed, you can hang up the table on the cot's side.

EASY TO MOVE AROUND

Whether due of a draft or sun rays – the Sleep N Play Center can be relocated within seconds. Thanks to the two integrated wheels, you can easily move around the travel cot from one place to another.

EASY
ASSEMBLY AND FOLDING

FAST ASSEMBLY AND FOLDING

Thanks to the simple folding mechanism, activated by the buttons located in the middle of all four sides, the assembly and folding can be done in the blink of an eye.

**COMPACT SIZE FOR SPACE-SAVING

THE COMFORTABLE TRAVEL AND SPARE BED

The Sleep N Play Center travel cot comes with comprehensive accessories and can be used in four different ways. Your child can comfortably sleep and play, you can easily change your baby's nappies and transport the folded cot wherever you wish, allowing maximum flexibility right from birth. A foldable base is already included. For even more comfort, we recommend the separately available fitted sheet measuring 120 x 60 cm.

Thanks to the elevated new-born level, you can comfortably lay down your baby who can be easily reached during the night. On the included changing table with safety belt, you can change your baby's nappies and lay down your little one back in the cot. Later on, you can remove the level and the changing table.

During daytime, you can effortlessly relocate the bed thanks to the two integrated wheels and use it as playpen. The side exit on the cot's end, which can be opened by the outside only, offers your toddler entertainment. Your child can independently crawl out and back in again when wanting to relax.

By pressing the buttons located in the middle of all four sides, the assembly and folding can be done in the blink of an eye. Folded up compactly, you can easily stow away the travel cot and accessories in the included carry bag.
