SLEEP N PLAY GO PLUS

TRAVEL COMPANION

In the Sleep'n Play Go Plus your little one will always sleep like they're at home. This cot is simply ideal for holidays, visits to granny and granddad, or as a handy second bed at home. Easy to set up and folds up small, so it can be taken anywhere without hassle.

IT'S PLAYTIME!

The side trapdoor provides lots of fun and allows your child to climb in and out. During the day the travel bed serves as a play centre, and at night—thanks to the rollers – it becomes a bedside cot in the bedroom. Your baby can thus always be close to you, so that they can sleep with ease.

This great travel cot is ideal for trips.

Sleep'n Play Go Plus - No matter where you want to go, your child will feel as safe and secure on your trips as at home. This travel cot is perfect for your holidays or a visit at grandma's and grandpa's. At home, the travel cot can be used as a practical second bed.

Your child can not only sleep but also play in the Sleep'n Play Go Plus. Your child is in safe hands and you can always have an eye on your little one thanks to the viewing window. The side exit makes for great crawling fun.

If you want to put the cot into another room, you can slide it easily into any room thanks to its wheels.

The Sleep'n Play Go Plus is built up or folded down in no time and can be stored away space-savily in the carrying bag. For transport, you can pull the carrying bag like a suitcase behind you.

The separately available Sleeper mattress and the fitted sheet Bed Me in the size of 120 x 60 cm are a practical addition.
