

- Travel bed, second bed, and playpen
- Optimum comfort from birth
- Easy assembly and folding
- Easy to transport thanks to compact folding
- Optional: Sleeper extra mattress and Bed Me fitted sheet

## MULTI-FUNCTIONAL

In the Dream'n Play travel bed, your little one will feel safe anywhere - just like at home. Dream'n Play is ideal for your holidays or a visit at your grandparents'. At home, you can use it as second bed. In addition, it is easy to transport thanks to its compact folding size and easy mounting.

## TRAVEL COMPANION

Assemble - fold down - done. With few actions. This way, Dream'n Play can be used anywhere as place of retreat and once in its transport bag, it can be stored away space-savingsly.

## OPTIONAL ACCESSORIES

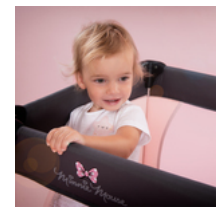

For hauck travel cots we recommend the comfy 120 x 60 cm Sleeper extra mattress and the Bed Me fitted sheet.

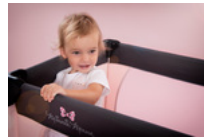

# DREAM N PLAY

## Product Images

## Lifestyle Images

This practical Dream N Play can be used in many ways making it the perfect solution on holidays, at the grandparents' or even at home. Folded compactly, this travel bed can be transported simply anywhere.

Safe sleeping & playing. In this bed, your little treasure will sleep soundly on any trip just like at home - right from birth. The large viewing windows made of net fabric guarantee an optimum air circulation, and give your little offspring the possibility of seeing you at any time. In addition, the large surface of 120 x 60 cm makes of Dream N Play also the perfect playpen. Your ray of sunshine is sure to feel at ease in here, while you take care of the household or while you have a rest.

Easy transport. This travel cot is assembled and folded with few actions. You can store it in any corner or transport it in the practical transport bag.

The transport bag and a foldable base are already include in delivery. For the best comfort we recommend the separately available fitted sheet Bed Me 120 x 60 cm.

Our hint for an easy assembly! Put up the folded bed on its feet and pull it apart. First unfold the short side parts and then the large ones until they properly engage. Only then pull the middle of the floor and then the whole floor down until it reaches a flat and stable position. When folding the bed, do the opposite. First pull up the floor and only then unbar the short and then the large side parts. For more info watch our installation video.
