BREATHABLE FABRIC

SEATING COMFORT IN ALL SEASONS

Thanks to the openings in the shell and the breathable mesh fabric, which allow a good ventilation, your baby benefits from a pleasant seat climate even on warmer days. The cover is washable at 30° C.

RELIABLE AND EASY INSTALLATION BY MEANS OF ISOFIX

You can install the car seat on the included Isofix base, which is fixated by means of the Isofix anchors. The green/red indicators allow you to check whether its correctly installed.

EASY TO CARRY
THANKS TO LIGHT WEIGHT

LIGHTWEIGHT AND EASY TO CARRY

Because it weights just 4.4 kg, the baby car seat is easy to carry – from the car into the house, or when you take it out of the car to mount on your hauck stroller frame.

INSTALLATION WITH 3-POINT HARNESS POSSIBLE

Alternatively, you can install the car seat in your car by means of the 3-point safety belt, too.

CAN ALSO BE INSTALLED WITH THE CAR'S 3-POINT BELT

COMPATIBLE
WITH PUSHCHAIR FRAMES

EASY TO USE WITH HAUCK PUSHCHAIRS

The baby car seat can be mounted on hauck's Walk N Care, Move So Simply, Vision X, Saturn R and Atlantic Twin pushchairs via the hauck universal adapters.

DRIVE N CARE SET

I-SIZE BABY CAR SEAT WITH BASE FOR SAFE CAR TRIPS

Drive N Care Set - i-Size baby car seat with base for safe car trips

Safe travels from birth onward

You can use the Drive N Care from the very first road trip and for a body height from 40 to 87 cm. Tested according to the highest safety standards i-Size UN ECE R129-03, it offers reliable side impact protection with energy-absorbing materials. The hood, rated UPF 50+, provides reliable shade and can be removed for washing.

Comfortable, grow-along car seat

You can individually adjust the height of the head cushion and the length of the harness in addition to removing the newborn insert and the seat wedge. The cover of the car seat is made of breathable fabric that offers your baby a comfortable drive both in summer and in winter. The cover can be washed at 30° C on a gentle cycle.

Easy and safe installation

The car seat can be installed either by means of the included isofix base and your vehicle's isofix anchors or with your vehicle's 3-point safety belt. Thanks to being lightweight at 4.4 kg, you can also comfortably carry the car seat from your car to the house or to your pushchair.

The baby car seat has universal mounts to attach to hauck's Walk N Care, Move So Simply, Vision X, Saturn R and Atlantic Twin strollers via their respective universal adapter to become a practical travel system. Alternatively, the baby car seat can also be mounted on strollers from other manufacturers by means of the appropriate adapters.
