## SHADE ME 2

SET OF 2 ROLL-UP SUN PROTECTION FOR SIDE WINDOWS

### **Hauck Shade Me 2 - Car window shades for babys and kids**

This high-quality sun protector for car windows effectively protects your child from direct sunlight and from a rapid heating up of the vehicle. With a size of 41 x 47 cm, the car window sun blocker is suitable for most car models. The lightweight yet sturdy mesh material of the baby shade is 37 cm wide and can be easily adjusted in length by touching the button on the side of the guide rail. The transparent mesh material of the car blinds baby optimally protects your baby against the sun without impairing the view outside.

The car sunshades for babies can be attached to the car window either by means of the two clips directly to the window of your vehicle or by extra strong suction cups on the window pane. To provide the best possible grip of the baby sunshade, the window should be cleaned and rubbed dry
