# ALPHA CLICK TRAY

INSTALLED ON THE HIGHCHAIR WITH A SIMPLE CLICK

## EASY TO INSTALL AT ANY MOMENT

The Alpha Click Tray easily clicks on the Alpha+ highchair, for more flexibility during meals. Thanks to the tray, you can use your wooden chair next to your table or free-standing in any room.

## FAST USE - NO TOOLS NEEDED

The Alpha Click Tray slides on the Alpha+ highchair and clicks in safely without any tools, allowing you to quickly install it when needed, even if you already have a plate in your other hand.

## FAST USE NO TOOLS NEEDED

## ALPHA+ HIGHCHAIR ACCESSORY FROM 6 MONTHS

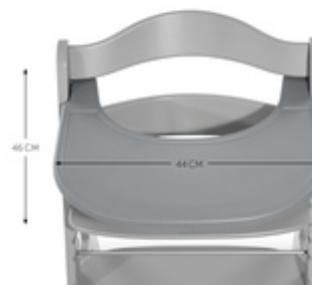

## FOR CHILDREN FROM 6 MONTHS ONWARDS

The Alpha Click Tray is a great choice for when your child can sit upright in the Alpha+ highchair. From 6 months onwards, your little one can eat and play on the own table.

## SPACE FOR DISHES AND MORE

The versatile Alpha Click Tray offers space not only for dishes during meals, but also for your child's favourite toy. The raised edge stops the food and toys from falling.

## LARGE TRAY WITH SPACE FOR DISHES & MORE

## EATING AND PLAYING WHEREVER YOU PREFER

## EATING AND PLAYING WHEREVER YOU PREFER

Thanks to the click tray, you can use the wooden highchair next to your dining table, on the balcony or elsewhere in your home. The light, easy-to-install tray table offers maximum flexibility.

## DURABLE, EASY-CARE TRAY

The smooth plastic surface can be easily cleaned even if sticky hands move over the whole tray. Also, the robust construction keeps up with all challenges of a daily life with child.

### INSTALLED ON THE HIGHCHAIR WITH A SIMPLE CLICK

The Alpha Click Tray is one of the many accessories available for the Alpha+ wooden highchair. Thanks to the click system, the tray easily slides on to the grow-along chair with one hand and safely clicks into place – no tools needed – allowing maximum flexibility during mealtimes.

Breakfast at the family table, supper on the Alpha Click Tray. Thanks to the easy installation on the highchair, you can spontaneously decide where you want to eat. From 6 months onwards, when your child can sit upright in the Alpha+ chair, you can begin to use the Alpha Click Tray. The spacious tray table offers space for plates, cups etc, whilst the elevated edge stops the food and toys from falling.

On the Alpha Click Tray, your child can eat and play wherever you prefer, be it in the kitchen, living room or on the balcony. The light and durable tray slides on the wooden highchair with one hand, which is ideal for when the other hand is already occupied.

After mealtime, the tray can be easily cleaned thanks to its smooth surface until you need it again.
