ATLANTIC TWIN

The versatile twin pushchair

With our multifunctional Atlantic Twin you can be relaxed on your walks with twins or two children. This light double pushchair will transport your children from birth up to preschool age on its puncture-resistant wheels, with rubber profile and lockable front wheels. For transport, you can fold it away compactly.

Both the upper and the lower seat serve as a snuggly prams with soft insert and large canopy, rated UPF 50+.
