# SLEEP N EASYFOLD

## TRAVEL COT WITH ULTRA-FAST FOLDING MECHANISM

### QUICK TO SET UP AND TAKE DOWN

Looking for a travel cot that assembles in seconds? The Sleep N Easyfold features an innovative folding system that makes setup simple. It sets up and dismantles in a quick-fold move.

### COMFORT ON THE MOVE

Everything is strange when you go away. In the Sleep N Easyfold, your little one is safe and snug from birth up to 15 kg – a true home away from home. Your child sleeps peacefully, wherever you are.

### EASY TO TRANSPORT

On two wheels: the Sleep N Easyfold is easy to move – whether assembled, folded, or packed in its compact carry bag. A space-saving companion that makes it ideal for families on the go.

SLEEP N EASYFOLD  
TRAVEL COT WITH ULTRA-FAST FOLDING MECHANISM

EXTRA-LARGE HATCH FOR LITTLE  
EXPLORERS

Children love to explore. The Sleep N Easyfold includes a large hatch that opens from the outside: your child can crawl in and out of the bed independently.

FOR A PLEASANT SLEEPING  
CLIMATE

Always well-ventilated: two large mesh inserts allow ample air circulation. This ensures a comfortable sleeping environment. And there's no noticeable draught.

TURN IT INTO A PLAY TENT WITH THE  
TRAVEL BED COVER

Children love caves! With the Travel Bed Cover, turn your Sleep N EasyFold into a fun play tent - palace, garden patch, or hideaway. A perfect add-on for travel beds, sold separately.

## TRAVEL COT WITH ULTRA-FAST FOLDING MECHANISM

### **Travel cot with innovative folding mechanism**

#### **Quick to set up and take down**

Looking for a travel cot that assembles in seconds? The Sleep N Easyfold features an innovative folding system that makes setup simple. It opens and folds away in just a few easy steps. Two built-in wheels make it easy to move, whether set up or packed away in its transport case. And space-saving organiser makes it ideal for families on the go.

#### **Comfort on the move**

From birth up to 15 kg, your little one stays safe and snug in the Sleep N Easyfold – a true home away from home. Designed for restful sleep wherever you go, it creates a cosy, secure space for your baby. Two large mesh windows ensure optimal airflow and a comfortable climate. Whether you're at home or travelling, your child stays snug and well-ventilated.

#### **Extra-large hatch**

Children love to explore. The Sleep N Easyfold includes a large hatch that opens from the outside: your child can crawl out and back in again. Great fun!

#### **Optional accessories**

Transform the cot into a play tent with the Travel Bed Cover. Also available: Sleeper mattress, Travel Bed Canopy, Travel Bed Mattress Cover and Travel Bed Mobile.

### **Shipping**

- Folding base
- Instruction manual
- Travel bag
- Travel cot
