PUNCTURE-PROOF

THANKS TO SUSPENDED RUBBER WHEELS

PUNCTURE-PROOF THANKS TO SUSPENDED RUBBER WHEELS

The suspension on the large 12" rubber wheels on the rear, as well as on the swivelling and lockable front wheels absorbs all unevenness and promises a comfortable, worry-free trip away from home.

REVERSIBLE SEAT UNIT FOR CHANGE OF VIEW

Whether eye-contact or view on the surroundings – the soft seat can be easily reversed. The backrest, which can be fully reclined with one hand, and the adjustable footrest offer plenty of comfort.

XXL SUN CANOPY RATED UPF 50+

The large, extendable 3-zone canopy with full mesh section is made of high-quality fabrics, rated UPF 50+, protecting your child against sun, wind and noisy streets in all situations.

EASY AND COMPACT FOLDING

The Walk N Care pushchair folds up compactly with one hand and stands free. Thanks to its compact folding size, the pushchair can be easily stowed away at home or on travels.

STYLISH PREMIUM PUSHCHAIR WITH HEIGHT-ADJUSTABLE SEAT

The unique seat unit of the Walk N Care pushchair can be easily adjusted in height and reversed at any time, making your visits to cafés a pleasurable adventure for you and your child. The height and direction can be adjusted so that your child sits comfortable at any table.

Well-chosen materials, a high-quality design, durable and easy-care fabrics, as well as leatherette accents on the handlebar and safety bar give the Walk N Care pushchair its high value look and feel.

If you want to be mobile from day one, you can complement the Walk N Care with its separately available carrycot, as well as with an infant car seat by hauck or other well-known manufacturers by means of adaptors.

Thanks to the high-quality aluminium frame, the pushchair comes with superior stability, offering your child a safe and comfortable ride up to 4 years. Also, the suspended, puncture-resistant rubber wheels contribute to the Walk N Care's durability.

Whether eye-contact or view on the surroundings – the soft seat can be reversed with a simply click. The backrest, which can be inclined with one hand up to a lie-flat position, and the adjustable footrest offer much comfort from birth onwards.

The extra-large canopy rated UPF 50+ offers optimal protection against sun, wind and noisy streets and comes with full mesh section that allows eye contact with your toddler. For an easy entry and exit, you can fold the safety bar to the side or completely remove it. Also, the height-adjustable telescopic push handle with cup holder offers plenty of options for parents of different heights.
